GRANT

continued from page 12
mental delays by the Team improves a child's future success."

The Team is not intended to duplicate comprehensive physical services provided by private physicians; therefore, ongoing care by a primary health care provider is encouraged for each child. Children without insurance are informed about NC Health Choice.

To learn more about the services of the Multidisciplinary Team, call the Iredell County Partnership for Young Children, 704-878-9980 or the Iredell County Health Department, 704-832-2318.
